Abbreviated instructions for authors

Full version of the instructions available at <http://www.aemnp.eu>

Journal *Acta Entomologica Musei Nationalis Pragae* (AEMNP) publishes entomological papers focused on taxonomy, nomenclature, morphology, bionomics and phylogeny as well as catalogues, faunistic papers dealing with large areas and short notes. The journal is open to authors from all over the world. Manuscripts are reviewed by two peer reviewers and evaluated by the editorial board. Papers not conforming to the journal style may be returned without a review. Manuscripts submitted to AEMNP must contain unpublished work and cannot be simultaneously submitted elsewhere.

AEMNP will consider manuscripts of any length but the editorial board may decide to publish long contributions in a supplementary issue. No page charges are required. Each author will receive 50 reprints and a PDF file for private use.

AEMNP only accepts manuscripts in clear and concise English; papers requiring extensive linguistic corrections will be returned to the authors. Subject to the editor's approval, papers may contain a translation of the summary or identification keys into other languages. Authors must follow the latest edition of the International Code of Zoological Nomenclature and its important recommendations, especially Recommendation 16C on the deposition of the type material in institutional collections.

Text (in .doc standard text file or .rtf format, 12 pt font size) should be double spaced and left justified; do not divide words and avoid unusual fonts. Manuscript should be structured as follows: title page, abstract, keywords, main text, acknowledgements, references, and figure legends. The main text should be divided into introduction, material and methods, results and discussion; some of them can be omitted where appropriate (e.g. in short notes). Page headings are supplied by the editors and approved by the authors in proofs.

Tables can be submitted in text format (MS Word files in .rtf and .doc formats) or in spreadsheets (MS Excel .xls format). Formatting should be kept simple; final layout assembled by the journal office will be approved by the authors in proofs.

Illustrations are accepted as original artwork or in TIFF format with at least 600 dpi resolution at print size for black-and-white illustrations and 300 dpi at print size for photographs.

The editors reserve the right to make minor editorial changes in line with the instructions for authors without the approval of authors.

Manuscripts should be submitted electronically to the journal office by e-mail or on a CD-ROM. Author(s) will receive one set of proofs. Requested original artwork and storage media will be returned together with the reprints.

All correspondence should be sent to the AEMNP journal office, Department of Entomology, National Museum, Kunratice 1, CZ-148 00 Praha 4, Czech Republic or e-mailed to aemnp@gmail.cz, aemnp@nm.cz.
